[Program Change Request Form](#) Due the 12<sup>th</sup>.

[Club Application](#) due the 13<sup>th</sup>.

[Who to contact when I have a question...](#)

## SPARK PROGRAM NEWS:

Want to help others help themselves and influence your school community in a positive way? Then join the Peer Leader program from SPARK! Peer Leader application period will run from Tuesday, September 10 - Friday, September 20. You can pick up an application from G47 or email Ms. Carela @ [Ecarela2@schools.nyc.gov](mailto:Ecarela2@schools.nyc.gov).

## LaGuardia Google Account

[accounts.google.com](https://accounts.google.com)

Or if you already have a Gmail account, ADD ACCOUNT

User Name (First Name)(First Letter of Last Name)(Last 4 digits of your 9-digit ID)

Eg. Mark Stricklin  
#987654321 = marks4321@laguardiahs.org

PW = 9-digit ID

## School Calendars

The website calendar is comprised of 7 different calendars, and families have the option of using the iCal feature for whichever calendars they find useful. (Remember, you can subscribe to a calendar and then "uncheck" the calendar box to hide the information.

Simply paste the URL below into your calendar program. (On a Mac, it is File> New Calendar Subscription)

## Locker Concerns

For locker assignments and concerns about your locker, please go to Room 229, The Deans Suite.

## HELP REDUCE ELECTRICITY USE DURING THE FIRST WEEK OF SCHOOL

### DID YOU KNOW?

The first week of school is usually when the DOE uses the most electricity, or "peak use", during the hours of 10 am to 2 pm, compared to any other day of the year!

This peak use contributes to higher electricity rates for the next 12 months, which is estimated to be an additional \$1.8 million in electricity costs for the City.

### HOW CAN YOU HELP?

From 10 am to 2 pm during the first week of school, coordinate with your colleagues to do the following:

Turn your window AC unit temperature up to 78°F and/or turn the fan speed on low.

Increasing the temperature of your classroom, even by a few degrees, helps to reduce electricity consumption.

Turn off your overhead lights if you have adequate daylight in your classroom.

Turn off your AC unit, smartboard, computer monitor, copier, and lights when you leave the room.

Avoid charging phones, laptops, and personal devices. Instead charge them before or after peak use time.

Close your windows to keep the humidity out and to prevent cool air from escaping. Close the shades to prevent excess heat from the sun.

### EVERY EFFORT COUNTS!

Thank you for helping to reduce the DOE's peak use during the first week of school. Please help spread the word and share this information with your colleagues.

Questions or comments? Email [sustainability@laguardiahs.org](mailto:sustainability@laguardiahs.org)

## Formerly Known as the Weekly Bulletin

We are moving away from one, comprehensive weekly bulletin (or was it a digital magazine?) to smaller, targeted communications via email and our website. This is why it is important for students to have personal email accounts associated with their PupilPath and Naviance accounts.

## Restrictions on LaGuardia Google Accounts

LaGuardia Google accounts are designed specifically for instructional purposes, such as Google Classroom and students sharing and collaborating on group projects. Student accounts cannot send emails to or receive emails from any non-LaGuardiahs.org account. Please do not use this email in any situation where emails can be sent or forwarded, such as PupilPath or Naviance.
